

17 "INNOCENT"  
WORDS THE MAKE  
HER HORNY...

Ever been frustrated by a woman you just couldn't turn on? Ever want to make sure a woman was horny... before... You tried to make a move?

Well, my friend, you're in the right place. Because in this very report, you're about to discover

17 "Innocent" words that make even the most sexually reserved woman bite her lower lip... because... she's thinking about you and her naked, in bed.

Also in this report, you'll discover 33 phrases you can "slip in" to your normal conversation that spark attraction...and...put a sexual spark between her legs. (Best of all – your friends, her friends, even her PARENTS could be sitting right next to you, and not know what's going on!) These 17 Innocent Words and 33 Secret Phrases are my gift to you, for being a Spartagen Customer... so... I'd like to take a quick second to introduce the SCIENCE behind them:

Words are simply mind pictures. This may sound weird at first... so... Let me quickly explain:

When you hear the word "ball," what happens in your mind? Do you get a philosophical or logical understanding of what a ball is? No. You "see" an image of a ball, in your mind's eye.

Or you remember what it felt like to play catch with a friend...

Or you smell the baseball field you played on, when you were a kid...

... Whatever the case, the word "ball" is simply a trigger for pictures, feelings and emotions inside of you. When we talk to each other, we're basically taking our pictures, feelings and emotions and trying to share them with others. With women – this means sharing our lust, as well.

And because lust is such a powerful emotion,

we have PLENTY of "trigger" words attached

to it. These 17 are my favorite. Say them to

any woman... and... You'll instantly see their face flush and go red. They are effective on all types of women, but PARTICULARLY effective

on a few types in particular. (Those types are specified immediately after each phrase) Use them in certain phrases, and you can "slip them in" to ANY conversation you're having... without sounding awkward or creepy.

Best of all – You can use these phrases exactly as I've written them below and completely DENY you were trying anything "sexual" or "fishy." You can simply say, "Baby, you've got such a dirty mind..." and blame HER for thinking in a sexual manner! This lets you walk away from any error whatsoever.

(And it's perfect for the times when she's simply "not in the mood...")

I've broken the list below down into the 17 Most Powerful "Innocent" Words... and... the 33 Easiest Secret Phrases to use. You'll also discover exactly which phrases work best for all types of Woman. So study up! And start using these sexual triggers in your conversations, right away:
